Profil

Software Engineering student with international experience in AI/ML and backend development. Skilled in building scalable AI solutions, managing technical teams and deploying projects on cloud platforms (AWS, Docker, GitLab CI/CD). Fundamental foundation in data pipelines, full-stack development and Agile project management.

Skills

AI & Machine Learning

RAG, LLMs, Vector Embeddings, Weaviate, Fine-tuning (QLoRA), Recommendation Systems, Mem0

DevOps & Cloud

Docker, GitLab CI/CD, AWS, RESTful API Development

Data Engineering

Web Crawling & Scraping, Data Pipeline Development

Frontend Angular, Flutter, Reactjs

Project Management Agile (Kanban), Jira, Trello

Experience

AI/ML Engineer, Blitz Brands

Built pipeline to fine-tune Qwen3-Coder on company codebases using QLoRA/Unsloth, automated repository ingestion (gitingest), dataset generation (DataFlow) and training (LLaMA-Factory).

Currently
Australia (remote)

Artificial Intelligence Engineering Intern, LeadsHook

Developed and deployed an AI chatbot using RAG architecture with Weaviate, LLM integration, web crawler and recommendation engine. Deployed on AWS using Flask, Docker and GitLab CI/CD.

07/2025 – 11/2025
Australia (remote)

Lead Developer & Team Manager, Tunisian Knights Games (startup)

Led FiveM game server development, managing teams using Agile/Kanban. Optimized gameplay scripts (Lua, JavaScript, HTML) and implemented DDoS protection and anti-cheat systems.

2019 – 2022
Tunis, Tunisia

Education

Software Engineering, National Engineering School of Carthage (ENICarthage)

2024 – 2027

- Comprehensive engineering curriculum covering software development, databases, AI, networks, embedded systems, cyber security and enterprise architecture.

Preparatory Class, IPEIN (Preparatory Institute for Engineering Studies of Nabeul)

2022 – 2024

- Preparation for competitive entrance exams to engineering schools | Physics-Chemistry track

Extracurricular Activities

IEEE (Institute of Electrical and Electronics Engineers)

2024 – 2025

Participated in IEEE training sessions and workshops to acquire practical and technical skills

Tunisian Scouts

2019 – 2021

Engaged in community service and COVID-19 pandemic relief efforts.

JCI (Junior Chamber International)

2018 – 2019

Active member involved in civic engagement and personal development initiatives.
